PROBLEM IN EMPLOYEE TRANSPORTATION

Current traffic situations and rash driving it's very difficult and incontinent to travel on Bangalore roads and to reach offices on time. It is being a huge fight for a common person to reach office and to reach home after office working hours. At the same time, they are effecting with pollution which are evolved from other vehicles, facing other so many problems like maintaining time, traffic signals, etc. With the above mentioned problem employees are struggling heavily in means of physically and mentally. This situation will cause some loss to the companies and corporates.

SOLUTION FROM EXCELLENT POOJA TRAVELS

Currently we are famous and well known travel agency in Bangalore, once we get to know that some of our employees are facing problems while reaching the office and returning back home. Excellent Pooja Travels are stretching its arms to serve the corporate companies and small scale industries by offering daily picks up and drop off their employees. A company can hire the vehicles based on monthly, daily, hourly rental basis as well as a number of employee basis. Our vehicles are maintained perfectly and are good conditions throughout the year. Not only daily pickups and drop up – we will help in team outings, excursions, day tours, weekend tours, holiday trips, etc.....

WHY EXCELLENT POOJA TRAVELS?

Excellent Pooja Travels has emerged to be one of the leading Employee Transport Solution Provider across Bangalore in Startup Service range companies. Our success marks with our prompt responses against any requirements. **EPT** today transports around 500 employees with 50+ cabs daily and operates across all major places in Bangalore and plans to expand to various cities in the near future. **EPT** team has close to 10 professionals and 15+ channel partners to manages its business transportation services.

Excellent Pooja Travels has been successful under various situation of unrest where transport operations was handicapped. **EPT** has been rewarded with new business and more business from existing client because of its planning and ensuring EHS and movement of the employees to and from their work place.

Employee Safety: Guidance to the Drivers about employees of the Transport Service Providers who are appropriately licensed for the vehicle being driven and who are in full compliance with all legal, safety, courtesy, and professional standards. A security guard will compulsorily travel along with women employees during night drop to their residence.

Commitment: We are a safety service as part of the Employer's commitment to safety. Our focus is also NOT on speedy service. Our focus is to transport as many employees as possible in a safe manner, preventing unsafe situations from arising.

Round the clock available: provides best cab services in Bangalore. The main aim of Mrs.Pooja is to provide quality, reliable and convenient cab service and/or taxi services in BLR to the customers round the clock.

Excellent Pooja Travels has trained staff, transportation facilities and forge personal relationships with the clients. We work persistently to make your travel program an unforgettable experience.
